

ADVANCING VENTILATION®

TOTAL RECOVERY PREMIUM

TRe90 & TRe90H

ENERGY RECOVERY VENTILATORS

Total Recovery Premium, TRe, is the latest edition to S&P Canada's line of Energy Recovery Ventilators. TRe can be used in any orientation and features an EC motor for great energy efficiency. Utilize TRe for any residential or light commercial project by individually balancing each airstream to account for variations of duct run lengths.

FEATURES:

- More efficient EC motor
- Integral test ports
- MERV 13 filters are available
- Can be mounted in any orientation
- Individual airstream balancing capability
- Speed controllable high-speed boost mode
- Low voltage percentage timer and point of use controls
- Suitable for residential and light commercial applications
 - 10 Year Core 5 Year Warranty
 - HVI Certified
 - cETLus Listed
 - Ecowatt®
